

UNITED STATES SENATE
WASHINGTON, D.C. 20510

September 12, 2026

Greetings,

Welcome to CAIR-Georgia's 10th Annual Fundraising Gala! This extraordinary event uplifts the Council on American-Islamic Relations' work to protect civil liberties and promote equal justice for all. With over 2.5 million dollars in free legal services provided to Georgia's Muslim community, your organization's impact is invaluable to all of us who champion these fundamental rights.

Georgia is home to a burgeoning Muslim American community that contributes greatly to our state's vibrant cultural landscape. Despite the safe haven folks have found in communities throughout our state, bigotry is as rampant as ever, so we must work even harder to reject hate in all forms and continue to pursue Dr. King's dream of a beloved community where all God's children have the opportunity to thrive. Know I am working with my colleagues to combat Islamophobia while supporting the community you have cultivated here in our state.

As a voice for all Georgians in the U.S. Senate, know that you will always have an ally and a resource in me. And while the road to peace and prosperity seems long, I believe we have the capacity and courage to reach that destination.

Please do not hesitate to reach out if my office or I can ever be of assistance to you.

Keep the faith, and keep looking up,
